Forecast For London & Southeast England
Issued by Met Office Exeter
at 1600 on Friday 31 Dec 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Mainly dry New Year's Eve. Mild, breezy start to 2022.

This Evening and Tonight:
Dry and mild through the rest of New Year's Eve, although breezy with some thickening cloud. Winds then strengthening further with the odd spot of light rain possible after midnight, but some parts potentially staying dry. Minimum temperature 11 deg C (52 deg F).

Saturday:
Breezy New Year's Day, with sunny spells. Cloud thickening though the afternoon, with brief rain spreading east, heavy at times, and perhaps persisting across Kent into the evening. Very mild. Maximum temperature 15 deg C (59 deg F).

Outlook for Sunday to Tuesday:
A mixture of sunshine and showers Sunday and Monday, perhaps some longer spells of rain. A band of rain moves south on Tuesday, gradually turning drier, clearer and colder later.
